

## Best Practice: Creating a jump to a Frequently Used Page

Once you are on your unit page or other page you frequently use, save yourself the hassle of finding it again. To do this click on the "Bookmark" link on the upper right hand corner of the page (just below Site Search) and then click on "Also in QuickLinks".

Then whenever you want to jump to your unit page again click on the Quicklinks down arrow (the upper left hand side of the page) and then click on your unit:
