Hey Everybody,

The year is almost over, but we still have a few more events left. We are close to finishing the Service Project at Camp Orr. We have been working since September to take out the old amphitheater near the river and replace it with a new one. The new one will have much more seating and will be made out of composite materials so that it will last longer. There may be a workday in December, but details about that will be put out later. The next big event is the Lodge Banquet on Saturday January 7th. It will be held at the West Side Church of Christ in Russellville. There will be an LLD session starting at 1 p.m., so all of the new officers, both lodge and chapter, need to be present. After that will be an LEC, and then the banquet in the evening. Looking ahead to next year, there will be a NOAC during July and August, at Michigan State. I would encourage any who are interested to go, it is a great trip to go on. I hope each of you finishes this year strong and starts next year stronger. Thank you all for your help,

Gunnar Klemmer
